\*Please contact us for media availability

Information about specific papers can be seen on our web site at [www.codeice.com.au/printstudio/giclee-materials](http://www.codeice.com.au/printstudio/giclee-materials)

**Discounts available for ABN holders, students and volume buyers**

**Please note:** at Code Ice we use true fine art giclée papers and genuine archival aqueous pigment inksets on our giclée printers.

Hahnemühle, InnovaArt and Breathing Color media used at Code Ice are genuine archive media specified for fine art digital reprographics (giclée).

Blue Wool certificates are available for inspection.

*All prices are subject to change without notice.*
